

BCIT JOB POSTING INSTRUCTORS

Posting Details:

Financial Management Technology requires several part-time day-school faculty members to teach its new **General Insurance and Risk Management** program courses at the Burnaby campus. Each position will be temporary in that it will last the length of the course/semester with the potential to instruct again in a future semester. These positions will be responsible for instructing Insurance Institute of Canada (CIP) based courses (immediate need for brokerage, agent, adjusting, underwriting, auto, liability specifically) as well as other relevant courses, course development, program marketing, and industry liaison.

These positions would allow insurance industry leaders to “**take a break from the office**” and to share their passion with students who wish to pursue a career in property and casualty insurance and risk management. The time commitment for instructing is between 3 – 5 hours during the day each week.

QUALIFICATIONS:

- Relevant work experience
- Relevant teaching experience
- A bachelor's degree (a master's degree would be an asset)
- A professional insurance designation such as a CIP
- Outstanding communication skills
- Ability to work in a team environment

SALARY RANGE: \$46,818 to \$81,458 per annum (\$47,801 to \$83,730 per annum effective July 1, 2009) (Placement based on education and experience; prorated, if applicable, based on percentage of appointment)

BCIT offers a competitive salary, generous benefits package and a diverse, enthusiastic workplace. BCIT is an equal opportunity employer. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
